Memorandum of Understanding Between Animal Protection Organization and [Domestic Violence Shelter]

[Animal Protection Organization] (“APO”) and [Domestic Violence Shelter] Sheltering Animals & Families Together (SAF-T) program (“SAF-T”) enter into this memorandum of understanding (MOU) concerning the boarding of companion animals of residents currently staying at [Domestic Violence Shelter]. This agreement is contingent on available space at APO.

APO agrees to care for pets that SAF-T is unable to house on-site. SAF-T may transfer animals to APO due to lack of space in SAF-T, and for specialized care of frightened/aggressive or larger animals. During the pets’ stay at APO, the following care will be provided at no cost to SAF-T:

* Clean cage and fresh water daily or as needed.
* Feed major-brand pet food as provided to other shelter animals. Provide a special diet on request and at the expense of the owner (or food provided by the owner).
* Dog walking when APO staff is available.

These additional services will be offered that may require funding or reimbursement to APO:

* If the pet requires emergency medical care, such as casting broken bones, X-rays, treatment of burns or lacerations, etc., the services will be provided and billed by the attending veterinarian to the owner or SAF-T program according to a pre-determined fee schedule.
* Preventive vaccinations if the pet is not up-to-date, including:
  * Dogs and cats 4 months of age and older must be current on a rabies inoculation and, if not current, the owner or SAF-T program is responsible for APO’s actual cost of providing the inoculation.
  * Dogs must be current on their distemper, parvovirus and coronavirus vaccination and kennel cough vaccination and, if not current, the owner or SAF-T program is responsible for APO’s actual cost of providing the vaccinations.
  * Cats 8 weeks of age and older must be current on their FVCRP vaccination and, if not current, the owner or SAF-T program is responsible for APO’s actual cost of providing the vaccination.

To insure the safety of APO staff and animals, the pet(s)’ owner (circle one) may/may not visit their pets at APO. If visitation is allowed, it will be coordinated by the SAF-T Director with APO staff. If visitations are not allowed, the pet(s)’ owner may call to check on their pets during APO office hours.

SAF-T will have the pet owner execute a Consent and Release form before the pet is transferred to APO. The original will be kept on file at APO with a copy on file at [Domestic Violence Shelter].

Created by Sheltering Animals & Families Together (SAF-T)™ 2012
While the pet is in the care of APO under this agreement, the confidentiality terms of the pet owner’s location at [Domestic Violence Shelter] will remain in effect and such confidentiality will also remain with the pet(s) in the care of APO. APO is, therefore, not permitted to disclose to anyone that it is caring for a pet under this agreement.

This MOU will continue at the agreement of both parties and may be cancelled by either party in writing at any time.

Procedures for Residents With Pets

Please remember that the safe housing of your pet through SAF-T is a privilege, and not a right, so please adhere to these procedures during your stay:

* Be respectful of other residents who may not welcome the presence of a family pet or may have allergies to your pet. Therefore, please keep your pet in your designated room or designated kennel area in the shelter.
* Attend to the care of your pet each day. This includes providing appropriate food, water, exercise, scooping/changing of litter, and playtime.
* If your pet frequently barks, meows, chirps, etc., at a noise level that can be heard outside your room, please advise staff upon your entry to the shelter so that appropriate accommodations can be made to avoid disturbing other residents.
* Clean up any messes or accidents that your pet has while inside the shelter.
* If your pet requires immediate medical care upon entry to the shelter or during your pet’s stay at the shelter, notify a staff member immediately. You may be responsible for the cost of any extraordinary medical care that the shelter veterinarian provides. We have secured low-cost and reasonable rates from our veterinarian to help reduce your financial burden during transition.
* Supervise your children around all pets housed at the shelter.
* Provide a copy of each pet’s current vaccination records when checking in to the shelter or within 48 hours of arrival. If your pet is not current on vaccinations, the shelter veterinarian will provide vaccinations at no cost or for a reduced fee.

Upon ending your stay at the shelter, you must take your pet with you or sign a SAF-T Program Extended Care Contract for the continued boarding of your pet at the shelter while you locate pet-friendly housing. If you leave your pet behind and fail to make arrangements with the SAF-T program for extended care, you agree that the pet has been relinquished and the SAF-T program may place the pet for adoption or other disposition with a local animal protection organization and that you forfeit all legal rights to the pet.

If you violate any of these procedures during your stay, the shelter has the right to require you to find alternative placement for your pet.
