LEGAL NEEDS — JUSTICE LOOKS DIFFERENT FOR EACH SURVIVOR

Physical Safety: Civil protection orders, assist with employment, housing and schools to obtain and enforce safety measures.

Privacy: Work with victims to protect privacy where possible.

Family Law: Assist survivors with obtaining child custody, child and spousal support, divorce, and other family law matters.

Housing: Negotiate with landlords for accommodations, help breaking leases, advice on eviction/housing rights

Employment: Negotiate leave from work or other employment accommodations, work with employers to accommodate safety needs.

Education: Represent survivors in student misconduct hearings and appeals, help survivors obtain accommodations from schools.

Immigration: Advice on victim based remedies and make referrals.

Financial: Assist survivors to obtain spousal support, child support, and other financial remedies in custody and divorce cases

WHO WE ARE

Program attorneys are specially trained in the dynamics of sexual assault, domestic violence, and stalking. This means they understand the importance of supporting victims in a trauma informed and holistic manner. Program attorneys understand that trauma affects many areas of a person's life. All cases are handled in a way that promotes safety and self-empowerment to move from violence towards healing.
